

DATA SHEET SAND DIGGER TOLLO

Item No: 511100402

stilum 
play

The „tollo“ sandbagger quickens the pulse of little builders. Made entirely of stainless steel, it rotates 360° and transports a shovel-full of sand from right to left—to build a tower for a little princess or to dig a castle moat. The seat is comfortable, soft and warm in both summer and winter.

MATERIALS | SCOPE OF SUPPLY
